# Printing Instructions

1. Print this PDF using double-sided (duplex) printing
  - Select "Flip on Long Edge" or "Long-Edge Binding"
2. After printing, cut along the gray guide lines
  - You should get 6 cards per sheet
3. Each card will have:
  - Question on the front (marked with "Q")
  - Answer on the back (marked with "A")
4. Total flashcards: 1

Tips for best results:

- Use heavier paper (cardstock) for durability
- Print in color for better visual appeal
- Laminate cards for long-term use
